

## ***2022 Precision Feeds Technology, LLC Scholarship Program***

We are pleased to announce the opening of the application process for the inaugural Precision Feeds Technology, LLC Scholarship Program. First and foremost, we would like to say thank you for making Gut Candy so successful. We continue to be humbled by the continued support and trust of families across the country as we are allowed to play a small part in your feeding programs. We consider ourselves blessed to be able to combine the shared passions we have for junior livestock programs, the continued success and development of young people, and higher education as we give back through these scholarships! Three awards will be given in the amounts of \$1500, 1000, and \$750.

Tony and Nichole Scott

Matt and Beth Kennedy

**To qualify you must be a graduating high school senior who is a United States citizen or legal resident that can verify having fed Gut Candy.**

**There is no formal application. Please submit the following information for consideration by April 4, 2022:**

- 1) Contact information for the applicant to include name, address, phone number, and email.
- 2) Name of your Gut Candy dealer
- 3) Name and address of your high school
- 4) High School GPA and transcript
- 5) One letter of recommendation from a non-family member
- 6) A complete list of your extracurricular activities ***outside of FFA and 4-H*** to include any offices held, awards, and honors
- 7) A complete list of your activities in FFA and 4-H to include any offices held, awards, and honors
- 8) Provide an essay describing how you believe that being involved in showing junior livestock has influenced your life and its future as well as detailing what your future plans are relative to your education and career. The essay should be a minimum of one page and a maximum of three pages double spaced in a 12 point font of your choice.
